REQUIREMENTS FOR SPONSORSHIP TO THE iSHARE TRAINING AT AFCOE AFRICA

Dear AFCOE Africa Applicant:

AFCOE Africa often receives sponsorship funding from its friends and supporters to use in sponsoring worthy students through the AFCOE training. Since these funds are given by donors, often sacrificially, AFCOE feels the responsibility of wisely appropriating this money. Donors are disappointed when a sponsored student fails to complete the AFCOE training or earns a failing score.

Therefore, in addition to the basic requirements for all students who apply for iSHARE training, the following are required to obtain sponsorship from AFCOE Africa's worthy student fund. Please note, that sponsorship covers 80% of the costs of the iSHARE training. The remaining 20% (70,000UGX*), must be provided by the student or someone else.

Applicants must...

- 1) Be currently enrolled in a university or college (proof of enrollment must be provided).
- 2) Provide a stamped letter of endorsement from their local field, church, or pastor.
- 3) Be no older than 35 years of age.
- 4) Be in good health, physically and emotionally, and be able to maintain that health (avoid getting sick) during the training.
- 5) Be able to speak and understand English fluently, since all classes and assignments are in English.
- 6) Maintain a passing grade in all classes including outreach. Monthly evaluations will be made for sponsored students. A sponsored student who fails to have a passing grade in all classes, will no longer receive sponsorship funding, and will need to find their own sponsor, in order to remain in the training.

- 7) Get a passing grade in preaching practice (5th – 7th weeks of the training).
Students who fail the first two preaching practice sessions, will need to find their own sponsor in order to remain in the training.
- 8) Not be absent from any classes, out-reach assignments, or evangelistic activities.
- 9) Have and maintain a positive attitude regarding the AFCOE program.
- 10) Abide by all AFCOE Africa policies, including dress.

If you are needing sponsorship for the iSHARE training, you may apply online or by hardcopy, and indicate at the bottom of your application that you are requesting the university/college student discount. Provided that you meet the above requirements, have good references from your local church, you will be considered for sponsorship as long as funds are available.

*“By earnest prayer and diligent effort we are to obtain a fitness for speaking.” -
Councils to Parents, Teachers, and Students, p. 254.*

May God bless and equip you for service.

Sincerely,

Pastor Lowell Hargreaves,
AFCOE Africa Director
www.afcoeafrica.com

* Sponsored iSHARE students may pay the remaining balance (70,000) in installments. The payment schedule is 15,000UGX first Sunday, then 5,000UGX for the remaining 11 Sundays. Payments must be made each Sunday, before beginning class.
